

TAROT

THE BRONZE DWARF

Unique

Level 20

Abjuration

Invested

Magical

The Brass Dwarf represents invulnerability. When you invest The Brass Dwarf, you gain resistance to fire equal to your level.

Activate ♦: [Magical]

Frequency: Once per day

Choose acid, cold, electricity, fire, mental, poison, or sonic. You can't choose the damage type for which The Brass Dwarf currently gives you resistance. You gain resistance to the damage you chose equal to your level, and you lose the prior resistance that The Brass Dwarf gave you. For 1 minute, you gain weakness equal to half your level to the damage type of the prior resistance.
