This dark gemstone grants its wearer a +2 item bonus to saving throws and the ability to discern a target's alignment at will by peering through the gemstone. It also grants its user the ability to Detect Poison and Detect Disease in the same way.

This heartstone allows its user to use the following additional occult innate spells: Ethereal Jaunth (9th) and Bind Soul at will; Shadow Blast (6th level) and Plane Shift twice per day, as well as Spirit Blast once per day.
