A mix of various powerful weapon, this axe is almost in its full form. Its head bears the symbol of the Bronzespooon.

Critical Specialization: The target takes 1d6+3 persistent bleed damage.

✦ **Frost:** When you critically hit a target with this weapon, your target becomes clumsy 1 and enfeebled 1 until the end of your next turn.

✧ **Speed:** While wielding this weapon, you gain the quickened condition, but you can use the additional action only to make a Strike.

✧ **Keen:** Attacks with this weapon are a critical hit on a 19 on the die as long as that result is a success.
