

# TAROT

## THE THEATER

---

Unique

Level 20

Divination

Invested

Magical

The Theater represents prophecy and how prophets can't change the unfolding pageantry of fate. As long as you have The Theater invested and as long as you are not already doomed, when you would gain the doomed condition, attempt a DC 10 flat check. On a success, you do not gain the doomed condition.

**Activate 2:** [Envision, Fortune, Magical]

**Frequency:** Once per hour

**Trigger:** You are targeted by a misfortune effect

The Theater attempts to counter the misfortune effect before it affects you. It has a counteract level equal to your level divided by 2 (rounded up), and a counteract modifier of your Class DC -10.
