

# THE DECK OF EVERYTHING

---

**Unique****Level 20****Invested****Magical**

The Deck of Everything is the ultimate form of the Deck of Many Things. It consists of 54 unique cards, each with a passive and boon and an activated ability. To make use of these effects, you must spend an action to invest ♦ to the card. You can have up to 5 cards invested at once. Once a card is invested, the passive boon is active until the card is deinvested ♦, and the activated abilities can be used.
