

HERO CARD

# MARTYR'S GIFT

---

TRIGGER

PLAY DURING YOUR TURN

---

You can heal a wounded target by touching them and taking their injuries onto yourself. You can transfer a number of HP to the target up to twice your level, at a ration of 1:1.

If this effect brings you below 0 HP, you instantly die, but the target is fully healed. The damage you take from this effect bypass all Resistances and Immunities.
