2-hand battle axe

A mix of various powerful weapon, this axe is almost in its full form. Its head bears the symbol of the Bronze-spoon.

Familiar Target ♦: As an action, you can pick a target. All their resistances are nullified against you. Your weapon takes the properties of their greatest weakness. This effect remains as long as you are raging. You can also choose the weapon's material.

Reflect Spell 🐉: Once a day, you can bounce a spell targetting you back at its caster.

Extend Axe ♦♦: The head of the axe detaches, hanging by a chain hidden in the handle, giving you an impossible reach of 120ft as you Strike with the weapon.
